Such a wonderful tribute for a wonderful woman. I enjoyed Tina so much. Our thoughts and prayers go out to all the family. Love, Lee and Doris

I so much enjoyed the pictures of Tina and her family when she was younger - you could tell she was going to grow into the lovely woman that I knew her to be in her later years, playing in a bridge group with her some years ago at OTOW. She was so proud of the pictures her husband had taken and she had displayed in her OTOW home, though he was already gone by the time she and I met. I was a pretty miserable bridge player, and she was so patient with me, that I just grew to adore her and was sad when our group broke up, due to one woman's reluctance to drive from a distance. I'll always remember Tina as my mentor, both in bridge and life. Affectionately, Anne B. Watkins
