Dear SL and family,..I thought your mother was an angel..everytime I saw her she left me with a warm, glowing feeling inside that could last for days as I would remember seeing her..a true angel..we were close when you and Mark started school, thru PTA, LL, car-pooling and later on we always made sure we were both "feeling ok" as our lives began to change and we grew older..She will be truly missed, but how lucky you all were blessed to call her mother, wife, & grandmother. Our love and prayer to each of you. Please feel free to stop by our home.

To Ida's loving family, There was more in china painting than just putting paint on a plate. Ida and I spent many hours while painting to talk of many things; our dear Lord, our dear families and the problems facing our world today. My dear friend will now have all the answers from her lovely place in her new home. Sadly, we will miss her more than we can say but she has left a bit of herself to everyone she knew and for that we are grateful. God's plan is complete for our Ida.
