I am so sorry for your loss of Bob. I believe in miracles and I was hoping and praying that his recovery would be one of them, but God had other plans to take him home to heaven and relieve him of any more suffering and pain. May Jesus put His loving arms around you Eunice and your family and give you all His love, peace and comfort to get you through this time. I will continue to pray for you and your family. God Bless you all. Alice Miendak
