There are those people in this world who have the gift of finding joy everywhere, and of leaving it behind when they go. Opal was one of these chosen ones. She delighted all who knew her, and made us happier for her presence. Barbie Burdick. Carmel, Ca.

My Dear Opal. I will never forget you when we first met. SW airlines had a stopover in Denver. You got on and asked if the seat next to me was vacant. It was and that when I met Dear Opal. What a wonderful person she was. After the plane had landed in Tampa she asked if we could meet for breakfast one day soon & which we did. She was so interesting, so beautiful on the outside but more so on the inside. She became not only a friend for the 2-1/2 yrs we knew each other but a second proxy mother. I remember the wonderful dinners we had at Bon Appetite restaurant which was her favorite. The help loved her like she one of the family. I as well as all of them & those we all had dinner with will miss her dearly. She is now at home with her maker her husband. Many of her friends as well as my mother & father who are now playing cards with her in her new home. We can all know we have an Angel from above watching over all of us ! Be well my friend, enjoy your dinner with her friends at GOD's table. I will miss you ! Love you, God bless. Your friend forever, Lee

My sweet Aunt Opal, you were so elegant, classy, kind, generous and beautiful. A light went out the day you left, but another one is now shining in Heaven. You were loved by all who knew you. Rest in Peace. Bobbi Lovejoy and family

Opal, my dearest friend, words can never begin to express the deepest affection I've always held for a truly one of a kind gem. You added a special glow in my life that began in 1999. I will always cherish the countless breakfasts we shared, the many hours we spent talking on the phone, the inspiration you provided for me to become a dancer and also watching you receive tremendous joy from many years of dancing, skydiving and all the times at Bon Appetit. Opal, I will forever carry a special place in my heart and love for you. My sincere condolences to your loving family.

What an extraordinary woman! Opal loved people and the more people she could gather into her circle of friends and acquaintances, the happier she was. Opal inspired each and every one of us with her loving manner and high energy and certainly her great optimism. She amazingly would parachute each year for the last several years to celebrate her birthday. On Saturday, February 15, Opal parachuted into the arms of God. Happy landing, Opal. You will always be remembered as a tremendous inspiration. Shirley Bentley
