A special soul who impacted my life at a young age. I think of Ann's example of perservance in raising Martha and Karen eventhough she carried a burden of loss over Stan. I believe my best memory of Ann is our 1970 road trip to California. How brave to cart four teenagers and a pop up camper those several thousand miles. It is an adventure story that has captivated me for over 40+ years. Deppest sympathy to the Frenchek, Kolod and Castagna families.

Ann had been a part of my life (and my family's!) for the last 35 years (?!). Even though I will always have my memories and pictures of special times spent together, I will miss her. I hope she is home in Heaven now with other loved ones and the other "Golden Girls" that she had so much fun with.My love to all of her family.Donna Mendonca, Ocala, FL
