Geoff and Elizabeth, It is time to celebrate his life and remember all the good times. You were blessed to have him in your life for all these years. Now it's his time to enjoy what comes next without any pain or discomfort. It's never easy to say "goodbye" to a loved one so maybe say "until later" because you will be reunited someday with your loved ones. Big hugs to you and your families and my sincere sympathies during this sad time.
