So much of my wonderful childhood memories were made by you and your family, Arlene! Our Christmas Eves together (Ewww-Calamari! And Christmas Caroling!). And all of us "living" together after the awful Kilpatrick fire. So many memories of our four parents together! A beautiful family-a beautiful woman. I'm only sorry I could not hug you one more time. But so grateful that you blessed our lives. You and Milt are dancing together again.....
