You are all in my thoughts and prayers. My most recent memory of Bob was the smile on his face at Ted and Cassandra's. I am sure it brought great joy to both Bob and Marilyn to be surrounded by there loving family. He will be missed.... Sincerely Dottie, Mackenzie Osborne and Michael

Uncle Bob, a kind gentle soul, hard working and would always deliver a conversation leaving you smiling or laughing. However long the time had passed, he was always happy to greet you with a big hug and a what'll ya' have. No words can ease the pain, but hopefully all the great stories will bring some comfort and a laugh.... like Nanny vs. the dog. He will be so greatly missed. I am so sorry to hear of Bob's passing. I have happy memories of times at your home off Beltrees and weekends at the lake. He always had a smile and kind word for all us kids. The last time I saw Bob & your Mom was for lunch in Dunedin last year and it is a joyful memory. Cindy, may God bless and comfort you and your family with peace as he blesses the passing of your father with eternal life. Our prayers will be with you.

It's been a long time since I've seen ya'll, but my prayers are with you in this difficult time. I still remember how kind and fun your dad was. He would give Martha and me a bucket of live shrimp so that we could fish off the dock at the marina. I'm not sure that we ever caught anything, but we sure had fun.

Dearest Cindy, Mrs. Williams and family, I'm so sorry your hearts are broken. Cindy, the adjectives just flow describing your daddy...kind, gentle, generous, handsome, strong, funny, spirited, and loving. He left you and your family quite a legacy! Now he's with God, fully restored, peaceful and happy. He will always be with you. When those we love leave their earthly bodies, they always leave behind their protection and their love. Cling to all your beautiful memories. May God comfort and bless Mom, you and the rest of your wonderful family.

I have known Bob Williams pretty much my entire life. First, he and his family were my neighbors across the street, and then I probably spent half of my childhood over at his house. I saw him everyday when he ran the fish camp out of Pirates Cove Marina, it was my school bus stop. He always would stick his head out and say Hi to me or I would stop in for a chat and a cold drink. He and his wife Marilyn were my parents best friends. And all of us kids were close as well. He was a wonderful, giving, loving man who was a great husband and father. He will surely be missed. All of Dunedin will feel his loss. My heart goes out to his entire family.

I just got off the phone with Mom and send our love and best wishes to all. Bob will be so missed by us.. Our hearts go out to Merylin to comfort her in this time of loss. Just the mention of Bobs name reminds me of a gentleman and kind soul who used to let us take cokes out of the cooler and taught me how to water ski. Ill never forget all of the great times we had and appreciate how wonderful he was to Mom while they all lived in Port Richey. My love to all of you!
