I was fortunate enough to get to know Mrs. Laguzzi for a couple of years when I was a young man. Although our acquaintance was relatively brief, the impression she made upon me remains after two decades. First and foremost, she loved her family and was strong for them--she possessed all of the admirable qualities of a protective mother. Once you gained her trust, however, she also proved to be a very gracious and enjoyable person to be around. I will always have fond memories of Maryann Laguzzi and know she will be deeply missed by everyone she touched.
