**C**hristopher Graham Dike Born November 08, 1978 Died May 1, 2012 In Special memory of our loving family member. Christopher was born in Charleston, SC, raised in Independence, MO and resided in Hudson, Florida. Christopher is survived by his mother Patricia Hunter and step-father Ed Karlander of Florida, father Jerry Dike and Step Mother Cindy of Missouri, brothers Mike and Chip Dike, sisters Scarlet Dennett and Lisa Gibbs, nieces Ashley, Samantha, Meagan, nephews Cody, Cameron, Alex, Uncle Bubba and Aunt Mary Ann Smith and cousins Mary Frances and Kim, Aunt Harriet Daigneault, Uncle Chip Wingate and cousins Tracy and John Paul, great nephew Connor Sanders and his soul mate Jacquelyn Trapp Dike and her family members and many loving family and friends. Chris lived his life large, always doing things most people wished they could. He enjoyed muscle cars, motorcycles, boats, 4 wheelers and scuba/cave diving, most anything that was fast and could keep up with him. Chris was a successful business man with any venture that he entered into. He treasured his relationship with God, family, friends and animals. Our son, brother, family member and friend was taken from us too soon and we will cherish every precious moment we had with him. Chris, enjoy your "Wild Spirit" and save some fun for the rest of us! We love you always!! Please share your thoughts, memories and love of Chris with his family and friends below:

Dear Son, On your birthday all I did was think of you. How could a Mom love her son anymore than me. Your whole family misses you. I walk by your pictures displayed on the table everyday and not a single day goes by that I don't pray for you, talk to you and cry. Maybe time will heal my hurt a little but the love I feel for you will never end. I am so proud of you son. I always have been. Please know that I love you and that one day God will let us see each other again. Until that day, Happy Birthday Son. You'll always be my precious baby boy. I love you, Mom

Son, you were my best friend and I so terribly miss you and all the times we spent together in this lifetime. Loneliness and tears are all I feel right now. I miss our Saturdays together and long talks. It's hard for me to bear the thought of not hearing your voice saying "Hey Mom" and "Mom can you do me a favor" and "Mom I love you" or being able to hug you again until we're reunited. I talk to you and pray for you every day and my one consolation is knowing that you're Happy and surrounded by God's loving presence. You're finally at peace my son and I love and miss you so very, very much. Mom.
