Rob, Eileen, Joe, and Family, I am very sorry to hear about your mom. She is in my prayers and in my heart as I have many fond memories of her and your dad. She is with all her past loved ones now and yet I'm sure she will always be right next to each one of you everyday until you meet her again. Never stop talking to her or asking her advice because she will answer you in her way when she can. Just listen with your heart and you will hear... God Bless!!

The Backpack Lady Project  
Most people don't know this but for many years my mom dropped off two backpacks at Our lady of Lourdes before school year started, never told them her name or why they just called her the backpack lady. I want to continue that but bigger in her honor. If you can join us Monday night at the memorial please bring a backpack and help me launch The Backpack Lady Project. If you can't make it or would like to send a backpack my address is 2036 Heidelberg ave. Dunedin Fl 34698 Thank You. By: Rob Ditro

Rob, Joe & Eileen - Your mom was such a caring and strong woman. I laugh when I think about all the times we spent together and all the stories your Mom and Dad would tell. Your Mom loved to tell the story of how Joe would put his school clothes on under his PJs, I must have heard it 200 times. She was such a pleasure to have around. I am glad that "Schmeck" kept her laughing for years. My condolences to the entire family. I am truly sorry for your loss.

Rob, Joe, Eileen,Know that your Mother is now free of pain, able to breathe, has no worries. She is reunited with Bub. Her father ran to her unlike he was able to in life. She is fine. The questions that she often asked me about faith and death she knows the answers. God will take care of her, Jesus has prepared her home for her. We need not to worry for she is fine. We only need to pray to her and asked that she intercedes in our lives from Heaven. God's peace be with you always.
