JUL 13, 1963 - JUL 29, 2014

CASTILLO, Jr., Ramiro Fernando age 51, passed away July 29, 2014 at Gulfside Bayfront Hospice in Dade City, FL. Ramiro was born on July 13, 1963, in Riobamba, Ecuador, to Ramiro and Patricia Castillo. Ramiro Jr. immigrated to the United States in 1970 along with his brother Pablo and sister Jacqueline. They were reunited with their parents, where they were already living here for several years and embraced their new youngest sibling Stuart. Ramiro was well known in Tampa, Florida having worked for more than twenty years as a butcher at Granada Meat Market and Cacciatore Bros.. He established and fostered many close friendships throughout the years. He always had a joke for us and a funny face that would make us laugh, and made our day brighter. He was passionate about sports, music and movies. He enjoyed playing soccer for a local league and attending Yankee and Tampa Bay Buccaneer games. "His optimism and outlook on life" was inspiring despite his painful battle with his illness. He loved his family very much and enjoyed spending time with them. He was a noble, kind, generous, and loving son, grandson, brother, cousin, uncle, and friend. He will be missed, but will live on in our hearts and memories, loving him forever. I thought of Ramiro each time that Ecuador stepped onto the field during this year's World Cup. I didn't know that he had been ill, and was only just informed this evening that he had passed away. Of course I now deeply regret having procrastinated with regard to calling him during the tournament. The final game between Germany and Argentina was played on his birthday, and knowing Ramiro as well as I did, I would have to assume that he was hoping for an Argentinian victory. The last time that I saw Ramiro was at my father's funeral in December, 2008. I certainly wish that I had done more to stay in touch with him during the meantime. My condolences to Pablo, Jackie, and Stuart, and of course Ramiro's mother and grandmother. Rest in peace, Ramiro; and please give my regards to your father. I am honored to have had your friendship. It was so nice to be able to talk with Ramiro over the Memorial Day weekend. His optimism and outlook on life was something I will always remember. He's in God's hands now and how great that must be!
