Joe has always been a very good friend to me and always thinking of others. I had the good fortune to work along side him in the pool and spa business and through our friendship he taught me so much. He will be missed.

We would like to express our condolences on the passing of Joe. For many years he was a good friend and expert helper in all things related to the pool he put in for us in the early '80's. He always had a smile to go along with his advice, personal or pool related. We will miss him a great deal. Shannon and Maynard Strickland

I've been a long time friend of Sarah since our youth in New Jersey. Joe and Sarah had a loving marriage. They were always there for each other. Sarah and I have kept in touch since she and Joe moved to Florida. After Carl and I moved to Florida we had several opportunities to visit with Joe and Sarah and had good times. We will miss Joe, his ready wit and we remember him fondly. God bless you and rest in peace. Anni and Carl Kunkel
