You were the reason for me being on this earth. You and only you filled the void in my heart. And now you are going and the hole is back and bigger than ever. Hard as I try moving on is impossible. The incredible loneliness is all consuming. I have been looking for you everywhere I know your near. You send me memories to keep me going. There is no getting over you I love you more than ever. The shattered pieces of my heart acts light to where you are miss you Sami Krzyszton

I see your face everywhere. Everything reminds me of you. Not a day goes by that I don't cry. I have never felt such pain. My heart breaks hearing about Daytona, Sarasota, Sevierville Tenn, Michigan, Ocala, Your spirit is everywhere. And has never left me. You breath thru me My eyes are your eyes. I feel you beside me when I sleep. I close my eyes and you are here. My mind knows your not here my my heart doesn't because you live in me. My world is shattered. I want to wake up from this nightmare I find it hard to go on. And I am tired of holding on I need. You always have always will. I will see you again soon all my love. Sami Krzyszton

Seems like only yesterday you were here. My world is a empty place there is no laughter without you sweet face. Your touch your love for so long I have missed. Just one more Time I would love to kiss. You were the one who showed me the way .To love without walls your gentle touch I miss the most. The feel of your body next to mine. The warmth of your smile you left behind At night I still reach for you When I am scared or lonely I just think of you. We my have parted long ago .In my heart I never really let go . You were my husband and in the eyes of God you will always be .When you get lonely come take my hand and walk with me. And when I get scared I talk to you I just say Michael come lay beside me. And keep me warm Hold me in your arms until I see you again Love can die live never leaves As long as you live inside me Miss you for the rest of my life Your wife SAMI Krzyszton
