102 years! What a life you have led!! I am so honored and blessed to have had you in my life for 38 years! I will miss holding your hand, listening to your sweet voice, and your kind heart. I will always refer to horses as cows and cows as horses, and smile and think of you when I do. I will one day learn to drink red wine and toast to you! I am blessed that you were able to attend my wedding, visit my 1st home, and meet and love both my children. We will always love you and can't wait to meet again!
