Tayo was a great guy and always had a smile on his face. I'll remember him mostly for all the times we played soccer together in Ibadan. Still can't believe you are gone. May your soul rest in perfect peace brother. My heartfelt condolences to your family.

Temitayo Aborisade was a gentle man filled with life. He was easy going and never hurt anyone. I can still pictures the days of being young students @ OBMS, Ibadan. A handsome young lad then who took his studies seriously. Tayo Aborisade, you are a second friend I will lose within three months. It's so painful you left this sinful world so soon. I know you are a man of impact but death did not allow you fulfill all you had in mind. I'm shocked and in pains right now cos I will never see my friend again. I hereby sympathise with the family (Parents, In laws, wife and the Siblings he left behind). May God grant them the fortitude to bear the loss. Tayo Aborisade, a soul I will never forget cos you touched my life in Oritamefa Baptist Model School. I will miss you but our God who knows best loves you more. R.I.P brother. I know we will meet at the feet of our God. OGUNSOLA BABAJIDE AYODEJIOBMS 2002 SET

Tears Tears Tears... where can I start from..so this actually for real... men this life is not fair... TAYO why you? We were friends close to 3 decades-- we shared great moments together starting from elementary school to college days. Those memories are still evergreen in my heart. Red house will never go without trophies because we can always count on you to win the intermediate boys races. So sad we never had the chance to hang out when I moved to the states, but we communicated via phone and facebook...talking about dreams and aspirations..giving ourselves a pat on the back that we are on the right to hit this Golden flees. sleep on Tayo . May God give us the strength and courage in this dark times. May God comfort your family. RIP
