Leonard will be missed beyond words. Leonard was the core of the family and the sweetest, kindest Southern gentleman you would ever met. I was blessed to have Leonard as a Father In Law for 32 years and watch him love and enjoy his family, Wynelle his wife the love of his life for 62 years his 4 children Faron, Kendall, Kelly, and Ryan and then his 5 grandchildren who were so lucky to have him while they were growing up and his 1 great granddaughter. They all will have a piece of Leonard in them for life. We will miss his strong conviction knowing that if Leonard said it was true how he taught us all to lead by example. We will all of our memories that no one can steal. Love you Leonard.

So many great memories of Leonard, him and Wynelle have always been so warm and open when we visited, always treated like family. When our daughter Gina was little she would tell us how much fun she had when her Aunt Jo's and Uncle Ken took her over to the "Skinnys," Leonard always had time to visit with her. Leonard, you will be so missed, but The Bryant family is so glad we got to know you.

A peaceful death of a human being reminds us of a falling star; one of a million lights in a vast sky that flares up for a brief moment only to disappear into the endless night forever. Rest in peace grandpa skinner. You were a kind hearted person who loved his family so much. You are no longer suffering and I know you will always be watching over Devin and the family. ❤️❤️❤️❤️

My grandpa is irreplaceable, he was a one of a kind. He was the sweetest, most generous, happy, likable person. He was there for everything for me, from my sports games, my 5th grade graduation, to my high school graduation. He was there for everyone in the family, even gave me and all my friends rides whenever we needed them. I grew up admiring him and knowing that whoever I ended up with I could only hope would be half the man my grandpa was. I will carry my memories and his unconditional love with me forever. I love you to infinity grandpa and will miss you every day until I see you again. Xoxo

From the first moment I met Leonard, as a 17 year old girl his son Ryan brought home, he treated me like a daughter. He was genuinely caring soul who was always excited to have his family near. I will miss his voice, his big hugs, his quick smile, and his common sense. The best advice he ever gave me was "follow your heart and it will never steer you wrong". He was right. I feel BLESSED to have been your "daughter" Love you, R.I.P
