Thinking about grandma (meemaw). I remember the times we used to drive around in your station wagon blaring the radio to "We like the cars that go boom". I'm going to miss you. Love you. RIP! I know my mom will take care of you. Thank you for letting me be apart of your life and letting me call you grandma. The only grandmother I ever had. ?????

I can remember when I was a little girl and u and uncle Carl drove to Indy to see us. Surprisingly u guys drove us to Florida to stay with u . My first real vacation. We loved our trip to Bush Gardens as well. My time spent with u was very memorable. U were such a loving woman. I'm so glad that your sister got the chance to see you one last time. I will miss seeing u and your beautiful smile and our lovely talks about life. My yearly trips to Florida will never be the same. you were definitely the best aunt a girl could ask for.
