I know I didn't get to spend a lot of time with you . I know you from the memories of the ice tea in the mason jars , the eagle statues all over your house , the smiles the laughs . And the stories that my dad your brother would tell me . You were and still are a great man. Your memories will always have a place in many hearts and minds . we all love you .

William I've known you for a long time and now you can rest in peace. I will remember you the way you used to be....tinkering around the yard on your cars and lawn equipment. You will be missed by all.Linda Bullerman
