May the peace of God rest upon each of you and may God's comfort be upon you during this loss. Linda was always helpful and willing to assist in the years I have worked at BayCare. I will miss her dearly.

Just as tears fell from many a friends and families heart, just as many smiles came to us remembering the good times. Linda and I worked many, many years together as nurses at St Anthony's. We went through all the hospital's growing pains, and adjusted, always making things better for our patients and co-workers. Years later Linda and I shared the experience of fighting breast cancer at the same time. We were each others support and inspiration. Both coming out as survivors! Linda impacted many and will always be remembered as a joyful and loving person. My prayers are with you. Margie Dyson

I only knew Linda for a little under two years...and I can still hear her laugh. She was an exceptional person in ways that are hard to articulate.

The Baycare IS department has lost a great team member and friend. I first met Linda during the St. Anthony's patient accounting conversion from STAR to SMS in 1998. It was always a pleasure to work with her and the professional attitude she had. Linda was my GO TO person for CERNER clinicals. Rest in peace my friend. I will miss seeing you Monday thru Friday at Colonial.

I started working at SAH 20 years ago and I used to seat with Linda and a group of friends every morning for breakfast. We will share stories, laugh and be like a family. Throughout the years we will see each other and she enjoyed hearing stories about my kids and life in general. She was always loving and friendly and I will miss her smile.

Linda was an amazing woman who brought laughter, wisdom, sound advice and more importantly, compassion to those who needed it. The world has lost a treasure beyond measure and I am one of the lucky ones to work and laugh with her.
