I still have the letter she wrote us when Jeremy passed. Have some good memories from Halloween Haunted Trails at your home to the days at Hillvue. Such a sweet & caring lady always. Jim all of your family are in thoughts & prayers. She definitely left a ray of hope for everyone.

Praying that God has you wrapped in his arms, and will continue to bring comfort for the difficult times ahead. I always think about the song that starts like this, "Come to me, I am the comforter. Come crawl up on my knee. Lay your head, close against my heart. Find your rest in me." I hope you find comfort in these words and the rest of this song. I know I do. My heart goes out to all of you.
