Bob was the nicest and kindest person there ever was. He always made people feel like they were special, but Bob really was the special one. My husband and I have been friends with Bob and Ingrid for many years. We will always remember all of our special times together. We played cards for many years as well as going out and just having a good time with our dear friends. I know that God has a special place in Heaven for Bobbut he surely will be missed here on earth.We love you Bob!From your friends Marianne, Bob and all of the Forcione Family
