Two years has gone by..and I know you are whole again. No more depression and trying to find your way out of it. No more wondering or blaming or taking blame. You were a beautiful sister to me. I was lucky to have you....your love, your kindness and you sweetness is a big part of my heart. I wish you had found complete happiness....your were happiest when you had everyone around. I have pictures of you sitting a smiling your sweet smile when family was around. I love you Peggy and until we see each other again...I hold you in my heart. We did have many fun silly memories.

I remember the times we had everyone together. We all had so much fun. The kids n guys would watch movies at Peggys house n the women would be at mine next door. Everyone over there was such a loud mouth, laughing n talking...talk about cackling women. I loved the sound of all the women together! Peggy had all boys, she was a beautician (I think that's what it used to be called). She used to cut my hair too, haha unfortunately I would walk out of her house with the same haircut as the boys. I always thought she was so beautiful. I will always remember her sitting in the yard in the sun whether it was the backyard or in the front in a lawn chair with a Tab soda n straw in it, n the straw always had her red color lipstick on it, her Vantage cigarettes, n she always smelled so lovely. It was her make up. I think it was Maybelline, the tube stick kind. She had a happy laugh n a beautiful smile. I love you Peggy!

I will always remember the great times Peggy and I had when we would go out on the town! WOW! I would be driving and Peggy would say Oh Gosh Karen be careful and we would laugh and laugh and laugh! Cha Cha Coconuts was our favorite place to hang out. I miss You Peggy! It is hard to realize that You have gone to join All The Rest of Our Family In Heaven! Hugs and Kisses To All Of You!

Peggy was more like my sister than my niece. We were together constantly until we started the first grade. She had to attend school in War, WV and I had to attend Bartley, WV. We still got to see each other on week ends, though. She was always so pretty and had no problem getting boyfriends, which was frustrating sometimes for the rest of us. I will always love & miss her.
