My heart goes out to the LaBella and the Clapps family. I will never forget how welcome Rose made me feel on Kimi and my spring break trip to FL in '85! I pray for comfort and joy to Tony, Dan, Bea and Gina as they hold on to the special memories made. ❤️ Hugs to Tom as he has endured so much this year already. Love, Stephanie

My sincere condolences to the LaBella and Clapps families. I have fond memories of my Aunt Ro. When I was 17, I traveled by myself to Florida to visit my cousins. She made me feel right at home, made me breakfast every morning, eggs over easy with fresh Florida orange juice, animal pancakes. May you enjoy your time in God's kingdom.

When I was 17, I took a trip solo to Florida to spend time with my cousins. What I remember most is how Auntie Ro made me feel right at home. Every morning she made a huge breakfast for me, eggs over easy. She was so kind to me. I have nothing but fond memories. May you find peace in God's kingdom. Your nephew, David Heuschkel.
