Sylvia lit a candle in honor of Sally.

I have known Sally for almost 45 years and we became friends from day one. Our friendship only got stronger as the years went by and we became BEST FRIENDS. We shared joys and sorrows and I considered her the Sister I never had. I will miss her terribly but I have so many memories with her to reflect on. I send my deepest condolences to John, Lois, Linda and Nicole and hope to keep in touch with all of you. Love, Sylvia

A true loss. I has a fun time working with her at Parks. She always was able to find my humor and make my day! I retired and when I came back to visit found she left the department, MY LOSS. Ed Lucas
