Bridgette was my daughter in law...the daughter I never had...until my son brought her in our lives. We all fell in love with her. Always positive attitude and a beautiful smile. My name as I called her was babygirl...and she is in my heart. My niece met her on Thanksgiving...along with other family members and her blue hair mesmerized my niece Hannah...she followed Bridgette all over the whole day. Hannah was 7 ....they disappeared....I looked around and found them in the den on the floor playing Barbie's!! That is the kinda of sweet person she was. She was family and always will be...God Bless her immediate family in this time. She is the most beautiful Angel looking over us all...I love you my babygirl!
