To my dear cousins, My heart goes out to you and Marty's children. The words and photos posted here are a beautiful tribute to a man taken from us way too soon. I am filled with such fond childhood memories of Marty and all my Fleres cousins that even in this time of tragic loss I feel blessed to have had him and all of you in my life. I can't picture Marty in my mind without seeing his huge, charming smile. Always happy and laughing. With sadness and sympathy, Benedette

John and I vividly remember the day you were born. Mom had a difficult delivery. The nurse wheeled you out in an incubator and you looked like you went 10 rounds with Rocky Marciano, all bruised and puffy. You were a big hit with the hospital staff because you were already an "Uncle" to 2 month old Dawnmarie (our first born). You have always been a big hit. You were a "people person" never judging, never condemning, always ready to help anyone in need. Making silly jokes with your customers making the chore of shopping more like fun. The sweet memory of a 4 year old brother complaining to me that Dawnmarie would not call you "Unca Marty" but "Dee Dee" instead. Treating everyone, regardless of their station in life, with dignity. Your love for your children, family, friends and your love of God. All the good memories stored in our now grieving hearts will help us celebrate the gift of you as you join Mom, Dad and Louis now in the presence of God. His Peace, our love, Josephine and John

Dawnmarie Tipa lit a candle in honor of Martin.

I am deeply saddened. This was my Uncle, my "Uncle DeeDee" as I used to call him. I would tease him many times about how I was older (by only 2 months) but oh how this irked him. I have sweet memories I will always cherish. We would play for hours on my grandparents' patio, with our stick horses, riding our bikes, chasing Fluffy the duck around the yard (more like Fluffy chasing us). And then when I was a mean little girl and liked scaring him, and how he would always forgive me when my mom would have me apologize. He was always kind, caring and loving to me, it was just his nature. To my Mom, Aunt Barbara and Uncle Anthony, although no words can really ease the pain of losing your baby brother, know I love you and you are all in my thoughts and prayers. To Giancarlo and Cameo, no one can imagine your pain. Your father was a sweet, loving, kind and gentle soul. He loved you both more than words. You were his life. You made him so proud. May God's peace and love comfort you through this difficult time. My love, prayers and deepest sympathy. God Bless you all. It is with a very heavy heart I write to you all, Mom, Uncle Anthony & Aunt Barbara, to say the least it has been an incredibly rough year for all of you. I am so sorry for the loss of your "Baby Brother" my Uncle Marty. I have found peace knowing that he is with God, Grandma, Grandpa and Uncle Lou probably having coffee & playing cards. I have so many vivid memories of him growing up with us, almost like the brother we never had. When I try to make sense of why God has called Uncle Marty home only one thing comes to mind, God needed him to "run" the Food & Beverage in Heaven. I love you "Uncle Marty". God Bless all of you, Love Always, Evamarie

Angel was my dog but, all you had to do was say "is that Uncle Marty" and she would run to the door. She loved him just like we all do. I know she was waiting at the gates of Heaven to welcome her Uncle Marty home. I love you my "Baby Brother" with all my heart. There is a hole in my heart that I fear will never be filled. All my love, Barbara

We are deeply broken over this loss in our family. Though it is hard to accept and even harder to hear the pain in our families voices, we know that Uncle Marty is in peace with our Heavenly Father. Being so far away makes the loss harder, we wish we could all be together. We wish we would have been able to see Uncle Marty and spend time with him before God called him home. We are grateful for at least being able see him and have him meet our daughter through FaceTime. Our love and prayers are with you all - especially to Giancarlo and Cameo. May God Bless you and grant you His Peace and Grace. -Ginamarie, Justin,& Jordan Noelle

My Uncle Marty. I miss you so much. There are so many memories I will keep forever. Like the time I told you you can't get married on my birthday unless you made me a cake. Which. You did. You will stay in my heart till the end of my days. So when I get to heaven with you. You owe me a dance. I love you
