So sorry to hear about Mary's passing. We think of her often and have missed being able to stop and see her back in Crandon. think of her and Emil every time we enter our lake house. They were a great couple and super friends. Have tryed calling her after she moved but never got a hold of her. She must of been out and on the town, which was a good thing. to her family, May God bless you with the love of close friends and the fondness of lasting memories of your mom forever. love dennis and Bonnie Klemick and family
