Anna, how sad to find out like this that you are no longer with us. I wanted to tell you what a beautiful person you are. You were always so good to me and my brother. I will never forget you working all night and driving to New Port Richey to pick me up and hang out with Jessica for the weekend. I'll never forget the Christmas you made happen for us when we were kids.I miss you! Anna, I love you and will always hold you close to my heart. Chrissy
