We came to Clearwater in1962. A friend of mine, Joan Davis, lived right next to your mom. Thru the years I came to know nearly everyone on the street. We lived on Eastfield. I have many happy memories of your mom. We had a birthday club and enjoyed getting together at each other's houses. The group was always up for a party,.as they say "Back in the day". My deepest sympathy. Rosemary Gasper

Alva Jean Chesser, Cousin August 12 at 10:16 AM

Your Mother and I were best of friends when I was growing up. Our mothers, Mildred and Bernice, were 1st cousins. We lived in Maryland during those years, but would come to visit my Grandparents Meares at least every Christmas. I could hardly wait to see Jean. I would always go over and spend several nights with her and we would have such a great time. These last years have been only notes at Christmastime, but when I think of my childhood and teen years, I always think of and treasure my time spent with your Mother, (Gladys) Jean, as she was known back then. A very special lady I loved and will miss hearing from her! Blessings to each and all of you - you are in my prayers! Alva Jean Morris Chesser
