We were so saddened to read of Nancy's passing. She was a beautiful young girl at CCC and we watched her grow into the wonderful Mother and Wife you loved. So sorry we lost contact as the years rolled by. I must tell you what a vivacious and kind young girl she was. A Leader in all cases. You are blessed to have had her for a short time. Our thoughts and prayers are with you. Lou Ann and Dillard Nash

What a wonderful women and such a loving family. My heart is breaking for their loss. I pray this poem will comfort them. God saw you getting tired and a cure was not to be so he put his arms around you and whispered, "Come to Me" With tearful eyes we watched you and saw you pass away and although we love you dearly we could not make you stay. A Golden heart stopped beating hard working hands at rest. God broke our hearts to prove to us He only takes the best. May God's angels guide Nancy to heaven. God Bless the Steele family.

I had the great pleasure of working with Nancy in different situations. I first met her when I came to teach at Safety Harbor Elementary in 1989. We worked on various committees together and went to numerous trainings. She was also my daughter, Stephanie's, Second Grade teacher, and I had the great pleasure to teach Shane, Zachary, and Paige in Fourth Grade. I knew her as a very concerned and involved teacher and parent. Everything she did, she did well and with care for those she worked with whether they were other teachers, students, or parents. Nancy will be greatly missed and fondly remembered by all of us who knew her. Jean Freeman

I knew Nancy through Mom's Club and our book group, and I was shocked and saddened to hear of her passing. She was a classy, positive, thoughtful, funny, intelligent, and supportive friend. I will always remember and appreciate how kind she was, especially during the time I lost my mother. I know she was a dedicated teacher, and her family was her world; I wish them all the strength and comfort of her love and memory.

Perry, Shane, Zachary, Paige, Michael, Jacqueline, and Henry, My heart is broken at the news of Nancy's passing. Nancy was one of my roommates our senior year at Furman-one of the "Shack Girls" as we were known around campus. We exchanged Christmas cards over the years but sadly over 20 years has gone by without getting together. I deeply regret that. As I read these tributes I see Nancy continued to be the beautiful, thoughtful, person we all knew and loved during our years at Furman. Nancy was an amazing person and had an incredible life. Our hearts go out to all of you. The Beal Family Kathy Smith Beal

Dear William, Shane, Zachary and Paige, I was stunned and saddened to learn of the all-too-soon passing of your beloved wife and mother. I remember her as a fellow teacher at Belcher Elementary School, I being in fourth grade and she in first. I remember how very, very pretty she was, and I cannot remember her without her constant smile. She seemed to have a kind work for everyone and as a result, she befriended all of us. She was a wonderful addition to our Belcher Family! What a loss to all who loved her, knew her, and most especially, those whose lives she enriched in her classroom. Her smile, her goodness and her kindness will always be remembered. May she be at peace with her Lord. With heartfelt sympathy, Bunny Cosentino
