Shirlann P Baisley

AUG 30, 1942 - SEP 18, 2015

My dear friends,
Our sister and mother Shirlann passed to the other side yesterday afternoon. My brother Larry Davis and I, Cecilia Cunningham, along with her sons, Christopher and Jeremy Baisley, and her oldest granddaughter Abby held her in our arms as she died. Helping us throughout the week were Lisa, her daughter-in-law, grandson Brooks, and brother's wife Margie, and their son John Davis. She was a wonderful person, incredibly kind, with a will to live having fought breast cancer for almost 40 years. She was near death several times, the last in November 2013. A team of five doctors saved her. They stood at her bed telling us how we were looking at a miracle. We believed them. She was a miracle to us. She had a massive stroke Monday night. She was able to communicate with us with yes and no and a few words. However she could not survive this. She was able to die at the Suncoast hospice in a beautiful bedroom facing a beautiful Florida woods. We could not have asked for more. Please remember her in your prayers. In lieu of flowers please make donations to The American Breast Cancer Society or Suncoast Hospice.

"Gramma Shirlann" was such a special person in the life of our family. She loved her family with all her heart. She always gave so much of herself, by reading and playing endless games and sharing treasured gifts with her grandchildren. Even before Jeremy and I were married, I just knew she would make a wonderful Grandmother by bringing magic and light to the world of my future young children and she certainly did that and much more. I am so grateful for knowing Shirlann, she will live forever in our memories. Peace and Love Always, Lisa

My heart goes out to her family. I worked with Shirlann for many years. She was so patient and funny and generous! I know she is going to be missed very much by all that knew her.

Prayers to all of Shirlann's family. Shirlann was the nicest and sweetest person I have ever met. Worked with her in the Gift Dept at Nielsen. Missed you bunches when you retired! RIP Shirlann Lorie Marika

She was the kindest soul I've ever known. I will miss her deeply. The kids had a bond with her that that outweighed the short time they had with her, those memories will certainly live on.
