I miss you so much Mom. I'm lost without you. But I can sense you are happy now, smiling, YOUNG AGAIN, and in a very lovely and beautiful place. Mom my love for you is so deep. Let's keep believing, everyone, that sincere love and a deep loving bond transcends time, miles, distances and even death. May the power of our affection and delight and love we have for you cheer you in the new journey you are now on, my very precious Mom, my fragile pink winter rose

Alva loved strong and her love lives on. I celebrate her life ... she was one incredible woman! Alva had a beautiful mind and shared so many thoughts with me. She is so missed. It is the sense of mystery that gives to life its majesty ... for it comes ... it goes ... it is the song of bird upon the branch ... it is the silence when the song is gone. But Alva's spirit lives on in those who love her. Clare, a loving friend.
