Jessy I will miss you so much. You were such a good person, honest, polite, kind, generous, sensitive, smart, charming, a very hard worker, an extremely good communicator and the best son a Mom could ask for. I do not think you realized how many lives you touched in such incredible ways. The pastor called it ripples. Your spirit will live on in me forever. I love you Jessy. Mom xoKatherine Conkling

Katherine, Michel and Joey, I am so very sorry for your loss. Jessy was a wonderful person and I am so grateful that he was part of my childhood. The few times we crossed paths in later years I met someone who was thoughtful, considerate and probably one of the most interesting people I've ever met. When he spoke, you leaned in, because you knew it was going to be something, not meaningless small talk, but something of substance. My thoughts are with you. --Melissa
