My mom, Jeanette, lived across the street from Monique. When I would visit my mom, I would go over to Monique's house to say hello and she always had that big beautiful smile on her face. We would visit for a while and she always made me smile. Monique and her sister Elaine have always been so kind to my mom... and to me when I come to visit. I pray that all of the funny, silly and loving memories of Monique will comfort her family and may God bless all of you with the peace that passes all understanding. I will miss seeing Aunt Monique when I visit my mom (her sister Rose) when I'm in Florida. I loved playing cards, going to bingo and sharing meals with her. Good memories from when she lived in VT at her Mom & Dad's Farm house she remodeled too. Prayers!

Aunt Monique was always fun to be around. She spoke what was on her mind, had a great sense of humor, and loved to win at SKIP BO! She will be missed, but is now at peace. Good memories will always keep her in our heart.
