To my beloved father that was always there to listen and guide me when I had a situation when I needed an ear and your profound wisdom to guide me. I thank you for all the memories we has shared throughout the years, I will always remember how you stated that you didn't like kids until your grand-daughter was born and she not only melted your heart but the two of you shared a special bond. She will always be your Pooka. You will be forever missed but never forgotten.Love, Jack Jowers

John was one of the most genuine, good humored, well intended people I've ever had the pleasure of working with. He always had one of his classic one-liners ready, and said to me whenever he could see I needed it, "It gets better, I promise." I'll miss his stories and his mischievous grins, but most of all, I'll miss his kindness. Rest well, my friend.

I am so saddened to hear of the passing of "Nick" Brongel. What a lovely human being he was. I will always remember his smooth and calming voice, his knowledge, advice, and humor. I'll never forget when Keifer and I attended Nick & Woody's 25th anniversary in Chicago and meeting all the great people who were there, and partying in their pool after they moved to Dallas. What great times and memories. I will miss Nick. We've lost one of the best!

I am truly honored to have known Nick for almost 40 years. I have so many wonderful memories of the time he and Woody and I spent together. He is leaving behind a legacy of someone who had not a selfish bone in his body - one of the most giving of souls not to mention his vast knowledge of almost any subject. What a conversationist! Funny, witty, loving, and devoted to those he loved. Nick, I know you are still near and I will always have the fondest memories of you. I love you and God speed.... KEIFER
