RIP Uncle Bob ❤️ I truly have the best memories growing up with you by my side. my absolute favorite uncle and godfather. Remember when you always pointed your finger when you were telling me a story that was not all true... Lol. You were such a laundry freak, even doing a load on Cheryl's wedding day. Always kind, gentle and caring. I treasure all of our memories together , canobie , sledding , and more importantly spending all holidays together as a family. Love you to the moon and back.
