All these memories and sentiments will never encompass the life of such an amazing woman. Her legacy will never be forgotten. Her loving kindness has been deeply rooted within all of her hearts. She will be missed by all.

My condolences and prayers that the Lord Jesus comforts her family as He did mine. I know this is a big loss even knowing God is there. I never met her but if my memory serves correctly, I believe I was in grammar school with Cheryl in 3rd and 4th grades many many years ago at Pennoyer in Norridge, Illinois and the name rang a bell with some happy memories of those years even at that young age. So I hope this in some way offers uplifting feelings to know that even people that are not directly connected can reach out across time and distance to offer support. Blessings, Frank DiLeonardo and family
