It had been quite a while since I saw Anita, but did at Uncle Tony's 89th birthday. I wish we would have lived near each other, instead of the distance. I am glad I got to see you one last time. Until we meet again. BILL EASTMAN

It's So Hard to Lose a Friend. I always enjoyed talking to Anita and her Father. They were both great to chat with.Anita was a great Neighbor. I could always count on her to make my day the best. We used to talk as she was leaving for work or returning from work. We seemed to have the same schedule. She worked too much: however, enjoyed the work she did. Many of the Neighbors were surprised when told she had Passed. She will be missed by many. I will miss her very much. There are no words that can truly ease the pain of a sudden loss like this, but if caring thoughts can help, they are with you there right now. With Deepest Sympathy.Robert Wilson - Golf Lake

I still remember the Thanksgiving at the farm when Anita and I decided to go to the woods to get a Christmas tree. We had been gone for about an hour when we walked out of the woods and met Uncle Tony who was looking for us; apparently we had been gone too long, but we did cut down and bring back a nice tree for the farm house.

I first met Anita at Busch Gardens. We went on the Sheikra roller coaster ride. I was so scared, and Anita said, "If you're scared, just close your eyes." I said, "Are your eyes closed?" and she laughed and shouted, "No!" Anita laughed all the way through. Once was enough for me, but Anita loved it so much, she went back to ride again two more times!

Anita was warm and welcoming in what could be a very cold world. She taught me so much about NICU babies and no one worked harder or was more dedicated to her patients. Yet she never lost her sense of humor or her ability to have fun, in whatever the circumstance. We will miss you, Anita, it was an honor to be your friend. -- Gretchen, Rachel, Dougie, and Doug Sr.

My Prayers go out to Anita Family for this unexpected loss. Anita was a super happy woman who made others laugh. I worked with Anita back in 2003 at Aetna and we've been friends ever since. You could always stop by her desk at work and grab a hand full of chocolates. Anita will be missed dearly by so many who she came in contact with as she was always willing to help anyone. Anita life was cut short but she's in a much better place now as God has called her home. God Bless you Anita and I'll always love you. Richard Briggs Tampa, FL

Lord, remember Your servant, Anita, who has fallen asleep in the hope of resurrection. Forgive her every transgression she has committed in thought, word or deed. Grant her peace and refreshment in a place of light, where there is no pain, sorrow, or suffering, but life everlasting. For You are the resurrection, the repose and the life of your departed servant, Anita, and to you we give glory, now and forever. Amen. Dr A and Dcn J
