Your dear Al and those who you made your family that you took deep into your life and heart are together supporting each other during this time of sorrow. You made so many feel loved. Know that your daughter Laurie is helping them celebrate your life and is there for Your family to help them heal and know they have the best guardian Angel possible. Until we all meet again -keep your smile like a beacon and light our hearts from afar

Al, even though I haven't met you and Fran. I've had the pleasure of hearing about the good times you have shared with Laurie and Jason over the past 30 years. Heaven has a new angel and she will be there to comfort all she has loved.

Fran was such a wonderful person! I never would have met and married my wonderful wife without Al and Fran's approval. Fran gave new meaning to the song "The Rose".
