I enjoyed working with Courtney over the years. He had a great sense of humor and loved talking about his family (and his cruises). He was so proud of his grandchildren. I will always remember and appreciate his strong sense of integrity with respect to his work. He was a great engineer and he will be missed.

We are so sorry for the passing of Courtney. I am also thankful to Courtney and Susan for they made it possible for me and my son, Luke to visit Florida a few years ago. We also had the chance to meet some of their family and we had a very good time. May the Lord envelop you with His comfort and love in this hard time. Love you all, The Merrills of Deming, NM
