My condolences to Debbie, John and family. Betty was a lot of fun and a joy to work with. NEVER a dull moment. Her humor was the best. Betty was a good friend to my mother and they both worked together in the Payroll Department at Merck. Although, they never met till their careers at Merck, they both graduated from Frankford High School in Philadelphia and both graduated from Comptometer School in Philadelphia. Betty was a great friend and coworker. She'll be missed.

Your Mother was such a lovely woman. I often think of the times we spent together while growing up, and visiting in florida. She was such a pleasure to be around, always laughing. She will always be my favorite Aunt. Our thoughts and prayers are with you and your family.
