Christopher John Carroll

MAY 11, 1964 - MAR 12, 2016

C hristopher J Carroll 5/11/1964 – 3/12/2016

Chris was born in Washington and spent most of his first ten years there, except for trips to Alaska to visit his maternal grandparents, Leonard and Eleanor House. At the age of 10, Chris, his two brothers, and their mother moved to Fairbanks, Alaska to become part of the Art and Suzanne Carroll family of nine. He spent his elementary school years at Denali, then on to Ryan and Lathrop.

At an early age Chris showed interest and skills in mechanics so his first job was at George Campbell's bicycle shop on Farewell St. in Fairbanks. He also worked on many go-carts, motor bikes and snow machines of course! His really fun times were spent at Summit Lake with the family snow machining with his brothers and sister or with the Lanni family who owned and operated Summit Lake Lodge.

Later in his teens, Chris worked for B&B Automotive and then for the Fairbanks Daily News Miner as a mechanic. Shortly after that he followed a girlfriend down to Clearwater, FL where he found the weather, ocean waters and fishing to his liking. He spent the rest of his life in Clearwater, except for visits back to Alaska. As in Fairbanks, Chris was into mechanics in Clearwater and became his friends' go-to guy for anything mechanical.

Chris worked at United Sign Co. near Clearwater for 18 years making signs of all types that were sold and shipped all over the world. He said he enjoyed that work because it was not too repetitious.

In 1994 Chris met Tina, his wife. They bought a home together, then married, and now have a beautiful 14 year old daughter named Chloe. Chris, Tina, and Chloe and friends enjoyed boating and fishing in the waters off the coast of Clearwater.

When we lose someone we love, it seems that time stands still. What moves through us is a silence; a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why, but little by little we begin to remember, not just that they died, but that they lived, and that their life gave us memories too beautiful to forget. "May the peace of God that surpasses all understanding" comfort and strengthen you. (Philippians 4:7)

My Love and Best Wishes to Chris's wife and daughter, and to the rest of the Carroll family. As one of the Lanni Clan, so much of our childhood was shared fun and great memories of Summit Lake and surrounding area. Art and Suzanne have been like parents to all of us, and have been there for some hard times. We have shared sorrow and love and great times. So here we are again, and now we have to look toward more memories and good times, and take comfort in the love we share. Helen, Michael, Dave Lanni, and all the rest of the Clan
