Our Grandma Jeanne was the extraordinary strength in our family pyramid along side her loving husband, our Poppy. I don't know how I'll go through life not knowing that my Grammy is not here but I know she will be walking with me each day in my heart and mind. Grammy provided me the knowledge of the goodness in the universe. I'm quite certain that Grammy and Mother Theresa are sitting down over coffee right at this moment comparing notes throughout their lives. We all lost a beautiful heart and soul on March 20, 2016 but my joy and gratitude will forever live on in the memories we shared; the instilled habits that Miriam Jeanne Densing taught me. Thank you Grammy. I love you dearly. Love, Krissy
