Everyone is well aware of the love Hilda demonstrated. A wonderful model of compassion, may her memories always be cherished. And may you be comforted knowing that our Creator feels your pain. 1 Peter 5:7.

Every Tuesday for the last five years I've looked forward to playing Kings in the Corner with Hilda at MCC. She was a warm, caring, independent woman who will be very missed. When she would thank me for coming I always told her I enjoyed my Tuesdays as much as she did. Last Friday was a sad day for our group. Cathy Gillen

Sorry to hear about your loss. Your mom lives on inside of each of you. I remember meeting her for the first time one Christmas holiday. She was very kind and tried to get me to eat just about everything on the table. LoL. She meant a lot to you all and you all meant a lot to her. May she rest in peace. Angel in Heaven.

She was a beautiful lady. Hilda loved to come into our circle of joy at coffee time to see what the dessert was. She was always helping out in church office making copies for everyone. I will always remember her. May God Bless her and bring peace to her family amen.

My favorite memories of Hilda always involve food. Hilda loved eating our food and we loved having her over "for a gourmet meal" - Hilda would say. She taught us how to bake bread and biscotti and pizzelles. Pizzelles are my personal favorite. We enjoyed eating all the beautiful fruit she grew in her yard, among so many other things. Before there was Google, we relied on Hilda's vast knowledge of Florida plant life to learn all about the bizarre and exotic foliage growing in our new back yard. Hilda was so kind to our family when we were just starting out. I traveled 5 days a week and she would come over to help out with our new baby girl, Gracie, and then again when Maggie came along. We didn't ask but she just came over anyway. I think that is how she and my wife, Celia, became such dear friends. Our time together as neighbors was too short (2000 - 2004) but we stayed in touch after our move to TN. Birthdays and Holidays were never forgotten. We have many fond memories, photos and video that we will cherish forever. Our thoughts and deepest sympathies go out to Hilda's family who have been so kind and instrumental in maintaining our contact with Hilda, who we love so dearly. - Eric Swender

Heidi Mueller lit a candle in honor of Hilda.

My favorite memories of Mom Hilda was the times I would sit and visit with her at Bob and Bryon's house during Thanksgiving and other family gatherings. I was a lucky friend who was invited to share in the Funari festivities and was grateful for her kind words and advice at a time when I missed my own family in Michigan. I have missed our chats, but am thankful for the lovely memories I have of that wise woman!Hugs to the Funari family for your great loss.~ Heidi Mueller-Vallie
