We were so saddened to hear that Marlene is no longer here with us. She had a gentle quiet spirit about herself. I have been doing Marlene's hair for at least 10 yrs. +. She will be very missed by many. You could see how proud and happier she became as those grandchildren came into her life. Our prayer to the family to be able to take the sadness away quickly and to be able to cherish the moments you had with her and be consumed in the wonderful memories. RIP Marlene... In Loving Memory, Sandy & Keith

Where to begin. ...I live in the house next door still to where Marlene grew up as a teen. Marlene and JoEllen where two of my closest friends. I look at their old home remembering all the memories and my heart is full and I just can't believe their both angels. I'm thankfuly I got to go to dinner Marlene, Justin, and Trevor last time they came to Syracuse. My deepest sympathy to Marlene's entire family, I wish I could have been there to celebrate Marlene's life today. RIP Marlene my friend I will love remember you always!

I had the pleasure of working with Marlene for many years and she was absolutely wonderful. She was quick to offer assistance and always went above and beyond by thinking of other ways to solve a problem or create a better way of completing a task. In addition to being a wonderful co-worker she was also a beautiful person and someone that I am glad I had the opportunity to work along side. She is missed. To Paul and the rest of her family, I want you to know that Marlene will be missed greatly. With Love For You and Prayers of Sympathy, Kim Engebretson

For many many years Marlene and I were inseparable. I treasure those memories and though life takes us down many paths, I will never forget my friend! It breaks my heart that she has left this world too soon! My prayers and thoughts with her family. I know how much she loved her sons and her grandchildren and her family and hope that they find comfort in all the wonderful memories as well. Marlene was generous and giving and full of compassion and kindness. Lori

Justin, Rebecca, Jace and Hadley, I am so sorry for such a great loss, I am very much devastated with this news. Marlene will be missed by many, she was a good mother, grandmother, and friend, I remember her smile, always smiling no matter how she felt, so easy going and so caring, loving, kind, thoughtful and a heart made of gold. I know she loved life, her children and grandchildren meant the world to her, and she was very much loved by others. I know life will not be the same without her, but knowing Marlene she would want you all to move on and carry on with life and make the best of it. She will always be in my thoughts and prayers, she was gone too soon, but I know she is in heaven with all of her loved ones, and taking care of James too. Prayers to all of Marlene's family, mother, sister, and all who loved her. And I am always here for you Justin, Rebecca and my grandchildren. All my Love, Randa

Marlene will be greatly missed by many. Only knowing her for a short time she seems to have touched many lives. She deeply loved her children and grand children. Paul seemed to be the light of her life. Her smile while with him told you how much she loved him. Love and prayers to her family for having a beautiful daughter, sister, mother and partner in it. She is gone too soon. With my deepest sympathy, Sharon Humphries
