Lucus Andrews

MAY 13, 1982 - MAY 25, 2016

Lucus Andrews passed away very unexpectedly in Largo, FL on May 25th 2016, at the age of 34. Born May 13th, 1982 in Dunedin, FL, he is survived by his parents Terence Andrews and Mary and Steve Bourque, his son Colin Andrews, his girlfriend Erin Demyan, as well as his grandparents, aunts, uncles, and cousins.

Lucus loved laughter and fun. He was a huge sports fan, always rooting for the home team, especially the Rays, Buccaneers, and Lightning. He had a love of music that he always wanted to share. The light of his whole world was his son, Colin. The two of them shared an indescribable love and bond that went beyond words. He left us far too soon, but will be remembered always for his huge heart and genuine love for every person who touched his life. We will miss him each day, forever.

A gathering of friends and family will be held at Moss Feaster of Dunedin on Saturday, June 4th 2016 at 11 a.m. with a Celebration of Life to follow at 12 p.m.

Dear Mary, Steve and Erin, We will remember the only Lucus we knew, the nephew who was always smiling and always polite. Perhaps that is why we remained optimistic about his future, now cut tragically short. Our optimism now resides in the belief that Lucus' true legacy will shine brightly through Colin. Our contribution on Colin's behalf is our faith in that legacy. We will always remember Lucus. We love our family. Love, Michael, Marsha and Veronica

There are so many things that happen each day that will bring back memories of the good times we shared together. Just watching the Rays (wish they were better right now) will bring memories of all the BIG games you were able to attend. You would call us and give all the high points. Then, of course, there will be the BUCS, the LIGHTING. That's just the sports stuff. From Holidays to just everyday things that you made me laugh and enjoy sharing and joking around. For the rest of my life I will think of you everyday with a smile and with love in my heart and the bond that we shared during the good times for 30 years together...Your loving Step-Dad. Steve

I am very sorry about this loss. I met Lucus through his mother Mary who I work with. He was always very kind and respectful a real genuine guy. The last time I saw Lucus is when he brought Colin to his mom's work to show Colin off and he was such a very proud daddy. Colin was very attached to his father. My thoughts and prayers are with his family.

Lucus will always hold a special place in our hearts! We remember him as a fun-loving kid with a big heart. I remember last Christmas. He was so excited for Don to open his gift from him and Erin. Don smokes cigars and it was a humidor that can be carried with him. The look on Luke's face was priceless and it warmed my heart and I knew how much he loved us. Luke will always be remembered in our hearts. We will meet again one day Luke. Love you forever! We will miss you! Love, Don and Sue ❤️

My favorite memory of Lucus was a few years ago when he and Mary came to visit. Lucus and Jer were in the family room watching baseball and Mary and I were in the living room chatting. He came in and said he was going to put a pizza in the oven. When it was ready he served Mary and I a slice. He was so sweet. I was so happy that he felt comfortable enough to wait on his Mom and me. I will miss the wonderful hugs he gave. Love Always, Aunt Grace
