To Kathy and Wally, Our sympathy is with you at this difficult time. It's a time to grieve, to feel the hurt but to remember the good times. Your dad is at peace with your mom, grandmother and grandfather. Thinking of you. The Ellwanger family

Wally and Cathy, We're so sorry to hear about your dad. My most vivid memory of your dad was his smile. Seemed like he was always happy and having a good time. I can remember holiday dinners at Grandma Vic's and, when dinner was over, it was a mad dash for the couch for a nap. The living room couch was your dad's favorite napping spot. In memory of "Butch, my brothers will do their best to keep the nap tradition alive. You will have bouts of sadness but time heals. Just remember.....no more suffering! Our thoughts and prayers to you and your families. Dave and Ann Garner

Uncle "Butch" quite a guy. He arranged my first real job working for Pulte when I was in high school. Lots of great memories of him in our younger years. Too bad he had to travel so much with his work. It would have been nice to sit down and have a beer with him on occasion and talk about the old times. Keep all those good memories of him in your heart. Rick and Donna Ellwanger

Cathy and Wally, wishing you are condolences. Your father was a fun and funny guy. Many great memories playing horse shoes at Grandma Vic's and Grandpa Joe's place in Fox Lake. He definitely needed more practice, but he knew how to laugh it off. Take care, your Mom and Dad will always keep a vigilant watch. Ron and Terry Ellwanger
