I was saddened to hear about Mina's passing. As my sister stated in the above message, she and our mother were very good friends and when visiting Clearwater(from Oklahoma), Mom and I would go and see Mina in her apartment. She was always so 'bubbly' and just a delight to be with. May she rest in peace.

Mina became one my mother's most treasured friends when she helped mom care for my aging grandmother (who was her neighbor). We stayed in contact with her regularly and even after my mother passed away over two years ago, I continued to send Mina a card and gift at Christmas time. It was just returned to me yesterday with no forwarding address and I had a sad feeling that she had passed away. She was such a loving, supportive and loyal person. I will miss our exchanges of messages in Spanish. Mina, hasta la próxima vez que nos vemos ~ en el cielo ~ te amo muchísimo.

So MANY...just don't know where to start. She made the most of being Abuela...taking us to Crest Lake Park, singing her old songs, making up scary stories to tell us at night, teaching us how to play cards...and letting us win:)...just to mention a few!
