We cannot begin to count how many events and get togethers we have shared with Dwight over the last 35 years. Whether it be a race track, Football game, favorite watering hole, someone's home or backyard it was always special. Dwight made sure of that especially when sharing stories, Photos and himself. Unfortunately for the last couple of years we have all been so busy, us with our grandchildren and work and Dwight with his work and racing and photo events, our socializing and sharing time has been by exchanging phone calls and Christmas cards. We sorely have missed out. Heaven is even more blessed with you there sharing you're wonderful stories and making sure everyone is having a good time. Dwight you will always be in our thoughts and prayers and in our hearts. Love Betty and Steve Quick
